I. GENERAL PROVISIONS

1. Application of the Rules

1.1. Nasdaq Riga (hereinafter – the Exchange) *Rules On Listing and Trading of Financial Instruments in the Markets Regulated by the Exchange* (hereinafter – these Rules) shall stipulate the requirements for listing and trading of financial instruments on the markets regulated by the Exchange, requirements for the issuers the financial instruments of which are listed on the markets regulated by the Exchange, delisting of financial instruments from the markets regulated by the Exchange, and the procedure whereby the Exchange carries out the surveillance of issuers.

(with amendments, approved on November 11, 2015, that come into force on November 12, 2015)

1.2. These Rules are developed pursuant to the Law on the Financial Instruments Market (hereinafter –the Law).

2. Terms Used in these Rules

2.1. The Exchange and the regulated market

2.1.1. The Exchange is a capital company, which organises the regulated market.

2.1.2. The regulated market is a totality of managerial, legal and technical activities that make possible public and regular conclusion of deals with financial instruments.

2.1.3. The Exchange drafts and applies these Rules in order to provide a regulated and transparent financial instruments market, taking into account protection of the interests of investors.

2.1.4 The market value, or capitalization, shall be determined by multiplying the number of all issuer's single category shares by the last price of these shares.

(with amendments, approved on December 17, 2009, that come into force on January 1, 2010)

2.2. Listed financial instruments

2.2.1. Listed financial instruments are financial instruments listed on the Exchange lists and are traded on the trading system of the Exchange .

2.2.2. The issuers of listed financial instruments shall have the obligation to comply with the provisions of these Rules during the listing of all the financial instruments issued by it.

2.3. Financial instruments to be listed on the Exchange lists

2.3.1. The following financial instruments (hereinafter also – securities) may be listed on the Exchange lists:

- 1) shares or securities equated to them which provide holding in the capital of a commercial company. Within the meaning and application of those Rules “the alternative investment fund shares” are considered as “investment certificates”;
- 2) bonds and other debt securities (including mortgage bonds, long-term and short-term bonds and other securities which verify the right of the owner to receive the nominal value and interest payments) (hereinafter – debt securities);
- 3) other tradable securities to which the rights to acquire the securities referred to in SubArticles 1 and 2 above by means of subscription or swapping are attached.
- 4) global depository receipts – securities that have been issued in order to replace the shares of an issuer registered in other country and give their acquirer the right to use the rights attached to the replaced shares;
- 5) investment fund and alternative investment fund (hereinafter both together called – “investment fund” or separately “Fund” and “Alternative fund”) certificates and other transferable securities that certify participation in Fund or Alternative fund (hereinafter – investment certificates);
- 6) other financial instruments that in compliance with the Law may be listed and traded on regulated markets.

(with amendments, approved on February 12, 2016, that come into force on February 22, 2016)

2.4. Structure of the Exchange lists

Financial instruments may be listed and traded on the following Exchange lists:

- 2.4.1. Main List (shares and other capital securities);
- 2.4.2. Secondary List (shares and other capital securities);
- 2.4.3. Bond List (debt securities);
- 2.4.4. Investment Fund List (investment certificates);

2.5. Financial instruments issuer

A financial instruments issuer (hereinafter – the Issuer) is an entity the financial instruments issued by which are listed on a list of the Exchange.

3. Adoption and Application of the Rules

3.1. The Rules and amendments thereto

- 3.1.1. The Rules and amendments thereto shall be developed by the Exchange.
- 3.1.2. The Rules and amendments thereto before their approval shall be submitted to the Financial and Capital Market Commission (hereinafter – the Commission) for opinion. If no objections are stated in the opinion, the Exchange shall have the right to approve the Rules and amendments thereto.

3.1.3. The Rules and amendments thereto shall enter into force in compliance with the procedure stipulated under the Law. The Exchange shall publish the Rules and amendments thereto on its Internet website at least one day prior their entering into force.

3.1.4. The Exchange Management Board shall have the right to prepare and approve documents in which there are provided recommendations and suggestions and detailed procedures for the applying and executing individual general provisions set forth in these Rules.

3.2. Equal attitude

3.2.1. These regulations and the Exchange fees shall be applied equally upon all Issuers and persons that have submitted a Listing Application.

3.2.2. The Exchange shall have the right to apply exceptions in the cases referred to in these Rules.

II. REQUIREMENTS FOR FINANCIAL INSTRUMENTS TO BE LISTED ON THE EXCHANGE LISTS

4. General Requirements Regarding Listing of Financial Instruments on the Exchange Lists

4.1. Requirements for Issuers

4.1.1. The Issuer which wants to have the financial instruments issued by it listed on a list of the Exchange has to be registered and operating in compliance with the regulatory acts of its country of registration, its Articles of Association/Charter and these Rules.

4.1.2. The Issuer's Articles of Association/Charter should conform to the regulatory acts regulating the activities of the Issuer. The Issuer shall ensure that the Articles of Association/Charter are publicly accessible at the Issuer's office and on the Internet website of the Issuer, if any.

4.1.3. The Exchange shall have the right not to list financial instruments of an Issuer, which has initiated legal or out-of-court legal protection proceedings, against which insolvency proceeding has been instituted or which has had other types of insolvency problems during the last two years before submitting the Listing Application.

4.1.4. The Issuer's economic activity, including legal and economic standing, has to be such that does not threaten the interests of the investors.

4.2. Requirements for financial instruments

4.2.1. Only freely transferable financial instruments may be listed on the Exchange lists and the transfer right of the financial instruments may not be restricted by the Articles of Association/Charter of the Issuer.

4.2.2. The financial instruments applied for listing shall be book-entered with the central securities depository Nasdaq CSD SE or following the consent of the Exchange with another foreign central depository or similar institution (hereinafter – the Depository).

(with amendments, approved on November 12, 2018, that come into force on November 26, 2018)

4.2.3. Only dematerialized financial instruments may be applied for listing.

4.2.4. The financial instruments applied for listing have to conform to the provisions of the regulatory acts applicable thereto and they have to be issued in compliance with the provisions of the said regulatory acts, the Articles of Association/Charter of the Issuer or other documents regulating the activity of the Issuer.

5. Special Requirements for Listing of Shares on the MAIN List

5.1. Duration of the economic activity of issuer

The Issuer which applies for the listing of its shares on the Main List has to have been active in the main field of its economic activity for at least three (3) years. The Exchange Management Board shall have the right to set exceptions regarding this requirement, taking into account the Issuer's financial standing, position in the market, field of activity, reputation, future plans or other material factors significant for the evaluation of the Issuer and/or its economic activity.

5.2. Financial reports of issuers

The Issuer which applies for listing on the Main list has to have prepared as minimum the last annual report in compliance with the International Accounting Standards.

5.3. Minimum market value of shares

Shares may be listed on the Main list if their anticipated market capitalization (if it cannot be assessed, the equity of the Issuer) is at least four (4) million euros on the day when the Issuer submits the listing application on listing and trading of shares on the Main list. The Exchange Management Board shall have the right to set exceptions to this requirement if sufficient interest from investors about the trading of the relevant shares on the regulated market is expected.

(with amendments, approved on November 13, 2013, that come into force on January 1, 2014)

5.4. Free float

5.4.1. Shares may be listed on the Main list if the Issuer has submitted the Listing Application for all shares of one category.

5.4.2. Not later than the day on which the trading with shares starts, a sufficient free float is to be ensured. This condition shall be deemed as met if:

1) at least twenty-five percent (25%) of the shares of the category which the Issuer wants to list at the Exchange are in free float, or

2) the number of shares in free float is smaller than that specified in Article 5.4.2. 1) hereof, but the capitalisation of the shares on free float exceeds ten million (10,000,000) euros.

(with amendments, approved on November 13, 2013, that come into force on January 1, 2014)

5.4.3 The number of the shares on free float shall be calculated in accordance with the procedure approved by the Exchange Management Board and published on the Internet website of the Exchange.

5.4.4. The number of shares in free float shall be calculated by the Exchange once per year – on October 31, on the basis of the information provided by participants of the Depository on the owners of the shares listed on the regulated market.

(with amendments, approved on December 17, 2009, that come into force on January 1, 2010)

5.4.5. The capitalisation of the shares in free float as specified under Article 5.4.2. 2) hereof shall be calculated once per year on October 31. The average capitalisation of shares in the period of 12 months before October 31 (including) shall be used for the calculation.

(with amendments, approved on December 17, 2009, that come into force on January 1, 2010)

5.4.6. If the Exchange establishes that the Issuer does not conform to the requirements set out under Article 5.4.2 hereof, the Exchange shall notify it thereon in writing. Within twelve (12) months of the receipt of the notification from the Exchange, the Issuer shall be obliged to carry out the required actions to ensure that Issuer's shares in free float be compliant with the requirements set out under Article 5.4.2 hereof.

(with amendments, approved on December 17, 2009, that come into force on January 1, 2010)

5.4.7. The Exchange Management Board shall have a right taking into account the situation in the financial markets and other circumstances to set an exception to the requirements specified under Article 5.4.2.

(with amendments, approved on December 17, 2009, that come into force on January 1, 2010)

5.5. Transfer from the Main list

The Exchange Management Board may adopt the resolution to transfer shares from the Main List to the Secondary List upon request from the Issuer or initiative of the Exchange if the shares do not conform to the requirements set for the Main List or if the Issuer wants to list its shares on the Secondary List.

6. Special Requirements for Listing of Shares on the Secondary List

6.1 Economic activity of the Issuer and requirements for financial instruments

No quantitative requirements or restrictions shall be applied to the Issuers which apply for listing on the Secondary List and the shares issued by them. The Secondary List is a regulated market, which is organised by the Exchange in accordance with the requirements of the Law.

6.2. Transfer from the Secondary List

The Exchange Management Board may transfer the shares of the Issuer from the Secondary List to the Main List upon application of the Issuer if the Issuer conforms to the requirements set forth herein for issuers listed on the Main List.

7. Special Requirements for Listing of Debt Securities on the Bond List

7.1. Duration of the economic activity of Issuer

A commercial company applying for the first listing of debt securities has to have been active in the main field of its economic activity for at least two (2) years. The Exchange Management Board shall have the right to set exceptions regarding this requirement, taking into account the Issuer's financial standing, position in the market, business area, reputation, future plans or other material factors significant for the evaluation of the Issuer and/or its economic activity.

7.2. Financial reports of issuers

Commercial companies which apply for the first listing of debt securities shall have prepared at least the last annual report in compliance with the International Accounting Standards.

7.3. Minimum amount of an issue

The total nominal value of the debt securities applied for listing shall have to be at least two hundred thousand (200 000) euros on the day when the Issuer submits the listing application on listing and trading of debt securities on the Main list.

(with amendments, approved on November 13, 2013, that come into force on January 1, 2014)

7.4. Listing of convertible bonds

Convertible bonds listing shall be started only if the underlying shares are listed on the regulated market of the Exchange or another regulated market organiser, or if the listing of shares takes place simultaneously with the listing of the convertible bonds.

7.5. Listing of debt securities issued by the Government, local governments and international organizations

Debt securities issued by the Government, local governments and international organizations shall be listed on the Bond Lists if the requirements under Article 7.3 hereof are complied with.

8. Requirements for Listing of Investment Certificates on the Investment Fund List

8.1. Listing of Investment Certificates in Investment Fund List

8.1.1. The purpose of the Investment Fund List is to inform the investors about listed investment fund and the value of their share, the sell and buy price of the investment certificate, and the trading results.

8.2. An investment certificates may be listed on the Investment Fund List upon condition that the Fund or Alternative fund that issues respective investment certificates conforms to the provisions of the Investment Management Companies Law or Alternative Investment Fund and their Managers law, is registered with the Commission or in a country of the European Economical Area and has the right to distribute investment certificates in Latvia.

(with amendments, approved on February 12, 2016, that come into force on February 22, 2016)

(with amendments, approved on February 12, 2016, that come into force on February 22, 2016)

10. Listing and Trading of Financial Instruments

10.1. Listing decision

- 10.1.1. The Exchange Management Board shall pass a listing decision or refuse listing within 10 days from the day on which the Issuer submitted the Listing Application and the documents referred to in these Rules to the Exchange. If the Exchange Management Board has required additional information from the Issuer, the examination term of the Listing Application shall be counted from the moment of disclosing the required information to the Exchange.
- 10.1.2. If in the listing decision it is not stipulated otherwise, the first trading day of the financial instruments applied for listing shall be the sixth (6) trading day since the day

(including) on which the listing decision has been adopted, except the cases when the provisions set forth in Article 10.7 hereof have not been implemented.

10.1.3. In the listing decision or refusal of listing, the Exchange Management Board shall indicate the provisions and requirements referred to in these Rules pursuant to which the decision has been adopted.

10.1.4. The Exchange Management Board shall have the right to refuse listing on the Exchange lists also if the Issuer and the financial instruments issued by it conform to these Rules, but the Exchange Management Board, having assessed the Issuer's financial standing, position in the market, client structure, growth potential, business area, reputation, future plans and other material factors that are important in the assessment of the Issuer's economic activities, arrives to a conclusion that listing of the financial instruments may have an adverse effect on the functions of the regulated market and damage the interests of investors.

10.1.5. The Exchange Management Board, in order to ensure sufficient liquidity of financial instruments, shall have the right to demand from the Issuer which has submitted the listing application to enter into an agreement with an Exchange Member on market making for the financial instruments of the Issuer.

10.2. Conditional listing decision

10.2.1. The Exchange Management Board shall have the right to pass a listing decision also in the event if on the moment of submitting the listing application the Issuer which applies for listing or the financial instruments issued by it do not conform to the provisions of these Rules but the Exchange Management Board considers that the Issuer and the financial instruments issued by it will conform to the requirements for the issuers and financial instruments set forth in these Rules after the primary placement, public offering or other activities that will be carried out after the passing the listing decision, however, before the term set in these Rules. In this resolution the Exchange shall determine the conditions to be met by the Issuer, as well as the timeframe for the fulfilment of these conditions.

10.2.2. If the Exchange Management Board has passed a conditional listing decision, the listing of the respective financial instruments may happen when the Issuer has met all requirements indicated in listing decision and when the Issuer and financial instruments issued by it conform to the provisions of these Rules.

10.2.3. The obligation of the Issuer shall be to submit to the Exchange a statement on fulfilment of the conditions immediately after the fulfilment of the conditions specified in the decision.

10.2.4. If the Issuer has not fulfilled all the conditions specified in the decision within the timeframe set by the Exchange Management Board or if the Issuer or the financial instruments issued by it do not conform to the provisions of these Rules, and also if the Exchange has grounded reasons to consider that during the primary placement, public offering or other activities regarding the financial instruments provisions of regulatory enactments or the rules of issue have been violated, the Exchange Management Board may review the listing application.

10.2.5. If the Exchange Management Board, observing the provisions of Article 10.2.4 of these Rules, reviews the issue about listing of the Issuer's financial instruments, it shall have the rights to:

- 1) recognize the conditions to be fulfilled; or
- 2) to extend the timeframe for the fulfilment of the conditions; or
- 3) cancel the conditional listing decision.

10.3. Special conditions for trading of additional shares

10.3.1. If the Issuer issues shares of the same category that is already listed in the Exchange and has filed with the Exchange the Listing Application, the Exchange Management Board shall have the right to take the decision on the trading in these shares as of the day on which the payments for these shares have been made. Until the day on which the Issuer provides the Exchange with a statement from the Commercial Register on the registration of the increase in equity, the additional shares shall be traded under a code that is different from the code of the shares of the same category listed on the Exchange.

10.3.2. After the Issuer has submitted to the Exchange the excerpt from the record in the Commercial Register about the increase of share capital and has informed the Exchange that the shares issued as the result of the increase of share capital are pari passu with those listed on the Exchange, the Exchange shall list the newly issued shares with a code identical to the code of the shares of the same category already listed on the Exchange.

10.3.3. In case of a bonus shares issue (shares given to existing shareholders for free), the Exchange Management Board shall have the right to take a decision on trading in them immediately following the registration of the issue with the Depository.

10.4. Announcing the listing decision and commencing of trading

10.4.1. The Exchange, after the Exchange Management Board has passed the listing decision, shall send, without delay, a written notification on the adopted decision to the Issuer, the Commission and the Depository.

10.4.2. The Exchange shall publish, without delay, the information about the decision on the Internet website of the Exchange.

10.5. Publishing the prospectus

10.5.1. The Exchange shall publish the Prospectus on the Internet website of the Exchange immediately after the Exchange Management Board has passed the listing decision, however, not later than 3 business days before the day when trading in the relevant financial instruments commences.

10.5.2. The Issuer shall have the obligation to immediately inform the Exchange in accordance with procedure specified by the Rules about any circumstances that have occurred during the period between publishing the prospectus and commencement of trading of the financial instruments on the Exchange lists, if these circumstances may affect the price of the issued financial instruments and the interests of investors.

10.6. Appealing the decision

If the Exchange Management Board has passed the decision to refuse listing, the Issuer shall have the right to appeal the decision of the Exchange Management Board to the Commission within thirty (30) days as from the day on which the Issuer has received the respective resolution.

10.7. Listing agreement

10.7.1. The Issuer shall be obliged to sign the listing agreement within five (5) trading days as from the adoption of the listing decision, however, not later than three (3) trading days prior to the listing date. The agreement shall determine the obligation of the Issuer to comply with these Rules. The Exchange shall not commence trading with the financial instruments of the Issuer until the listing agreement is entered into.

10.7.2. The listing agreement on the listing and trading of Fund's investment certificates on the Investment Fund List of the Exchange shall be signed by the Fund's management company. The listing agreement on the listing and trading of Alternative fund's investment certificates on the Investment Fund List of the Exchange shall be signed by the Alternative fund internal or external manager.

(with amendments, approved on February 12, 2016, that come into force on February 22, 2016)

11. Suspension of Trading of Financial Instruments

11.1. Trading suspension upon initiative of the Issuer

11.1.1. The Issuer shall have the right to submit to the Exchange a written application for the suspension of trading in financial instruments issued by it.

11.1.2. In the application, the Issuer shall extensively justify the reasons for the necessity to suspend trading and also indicate the predicted duration and conditions of the trading suspension.

11.1.3. The resolution on the trading suspension shall be adopted by the Exchange Management Board, which is to specify in the resolution the duration of suspension as well as the conditions on the grounds of which the resolution has been adopted.

11.2. Trading suspension upon initiative of the Exchange

11.2.1. In extraordinary circumstances, in order to protect the interests of investors, the Exchange may suspend trading in the financial instruments of the Issuer.

11.2.2. The term 'extraordinary circumstances' referred to in Article 11.2.1 hereof shall mean: ample price fluctuations; existence of information which may materially affect the price of the respective financial instrument and which is planned to be disclosed shortly; as well as other situations, circumstances or conditions which may obstruct the process of transparent and fair trading.

11.2.3. The Exchange shall have the right to suspend trading in securities if the information disclosed by the Issuer through the information system of the Exchange and which may

materially affect the price of securities is clearly erroneous or has to be processed or checked for other reasons.

11.2.4. The Exchange shall have the right to suspend trading in the financial instruments of the Issuer during the shareholders meeting or press conference of the Issuer at which it is planned to adopt resolutions or disclose information which may materially affect the price of the respective financial instruments. In the cases referred to in this Article, the Exchange may suspend trading as from the beginning of the said events until the moment when the information about the adopted resolutions or other relevant information has been published.

11.2.5. The resolution on suspension of trading in financial instruments shall be adopted by the Exchange Management Board.

11.2.6. The Exchange shall inform, without delay, the relevant Issuer and the Commission about the resolution to suspend trading in the financial instruments of the Issuer.

11.2.7. The Exchange shall, via the information system of the Exchange and without delay, publish an announcement about the resolution to suspend or resume trading in financial instruments.

11.2.8. Suspension of trading may not exceed six months.

11.3. Obligations of the Issuer in the event of trading suspension

11.3.1. The obligations of the Issuer set forth in these Rules shall be applied to the Issuer also during the suspension of trading in the Issuer's financial instruments.

11.3.2. The Issuer the trading in securities of which has been suspended shall regularly inform the Exchange about the circumstances that are the reason for trading suspension, their progress, changes and termination during the whole period of trading suspension.

11.4. Resuming of trading of financial instruments

11.4.1. The Exchange Management Board shall adopt the resolution on resuming of trading in financial instruments if the circumstances on the grounds of which the resolution on suspension of trading was adopted have come to an end or have been eliminated.

11.4.2. If the necessity to wait for publication of particular information caused suspension of trading, trading shall be resumed after publication of the respective information if there are no other reasons for suspension of trading. If the information to be disclosed is large in volume, the Exchange may extend the suspension after publication of such information in the information system of the Exchange for a period of time which is needed for the members of the Exchange and investors to study the information.

12. Delisting of Financial Instruments from the Exchange Lists upon Initiative of the Issuer

12.1. Delisting of shares

12.1.1. The Exchange Management Board shall have the right to delist the Issuer's shares from the Exchange lists upon written application of the Issuer. The delisting decision has to be adopted at the Issuer's shareholders meeting. In the minutes of the

shareholders meeting the shareholders that supported (voted 'for') delisting have to be specified.

12.1.2. The Issuer may request delisting only in the event if an offer to redeem the Issuer's shares announced in compliance with the provisions of the Law has been concluded.

12.1.3. The Exchange Management Board shall have the right decide in favour of or against delisting within ten (10) days from the day of submitting the application, or from the day on which the Issuer disclosed the additional information required from the Exchange Management Board for the examination of the issue.

12.2. Delisting of debt securities

12.2.1 If debt securities listed on the Exchange are redeemed at maturity specified in the issue prospectus or issue rules, or the Issuer has exercised the call option specified in the issue prospectus or issue rules, the listing of such debt securities on the Exchange shall be terminated by redemption date. The Exchange shall suspend the trading of such securities at the end of the Trading Hours on the third (3) business day before the Record date. For the purpose of this article business days are understood as days when in accordance with the depository rules where such debt securities are initially recorded the settlement takes place.

(with amendments, approved on September 18, 2017, that come into force on September 25, 2017)

12.2.2. The Management Board of the Exchange upon the request of the Issuer may delist the debt securities from the Exchange list prior to redemption date specified for the debt securities, if the Issuer has bought back all debt securities of the respective issue.

12.3. Delisting of investment certificates

12.3.1. Investment certificates shall be delisted within one (1) month of submitting the delisting application.

12.3.2. The Exchange Management Board shall have the right pass a decision on delisting investment certificates from the Investment Fund List upon application from the Fund Management Company or Alternative fund manager respectively. The Exchange Management Board may pass the said decision if it does not cause material damage to the investors of the investment fund, or if in compliance with the procedure stipulated by the Investment Management Company Law or Alternative investment funds and their managers law the liquidation of the investment fund has been commenced.

(with amendments, approved on February 12, 2016, that come into force on February 22, 2016)

12.4. Notifications on financial instruments delisting decisions

12.4.1. The Exchange shall immediately inform the Issuer and the Financial and Capital Market Commission in writing about the decision to delist the Issuer's financial instruments from the Exchange list. This notification shall contain the description of the circumstances justifying the delisting decision of the financial instruments.

12.4.2. The Exchange shall publish the notification on delisting decision in the information system of the Exchange.

12.5. Appealing the resolution

If the Exchange Management Board has rejected the delisting application, the Issuer or the asset management company may appeal such decision to the Commission within 30 days of the receipt the decision.

IV. DISCLOSURE OF INFORMATION AND OTHER REQUIREMENTS FOR ISSUERS

13. General Provisions

13.1. Information to be disclosed

13.1.1. The obligation of the Issuer shall be to disclose the information to be disclosed on a regular basis referred to in these Rules by means and within the timeframes specified herein.

13.1.2. The Issuer shall have the obligation to publish Inside information in accordance with the requirements provided in EU regulation, the Law and in accordance with Financial and Capital Market Commission's legislation's (hereinafter also – Legislations) requirements (hereinafter also – Inside information).

(with amendments, approved on September 18, 2017, that come into force on September 25, 2017)

13.1.3. The Issuer has an obligation to disclose Inside information also about the significant subsidiary of the Issuer. In the interpretation of these Rules, a significant subsidiary of the Issuer shall be the company which is consolidated with the Issuer, and whose total assets, turnover or profit/loss from the commercial activity constitutes ten (10) or more per cent of the total amount of the consolidated assets, consolidated turnover, or consolidated profit/loss.

(with amendments, approved on November 12, 2018, that come into force on November 26, 2018)

13.1.4. The Exchange shall have the right to demand it and the Issuer shall be obliged to provide it with any information that the Exchange Management Board deems to be material for the protection of the rights of investors

13.2. Insider information

13.2.1. Meaning of Inside information and the persons that are regarded to be Insiders, as well as persons discharging managerial responsibilities and persons closely associated with them are understood as set out in Regulation (EU) No 596/2014 of the European Parliament and of the Council of 16 April 2014 on market abuse (Market Abuse Regulation or MAR).

(with amendments, approved on September 18, 2017, that come into force on September 25, 2017)

13.2.2. When publishing the Inside information in accordance with the Legislations, the Issuer shall be obliged to simultaneously disclose the same information to the Exchange in accordance with these Rules.

(with amendments, approved on September 18, 2017, that come into force on September 25, 2017)

13.3. Obligations of the Issuer when disclosing information

13.3.1. The obligation of the Issuer shall be to carefully examine, on a regular basis, all developments and changes in the economic activity of the Issuer in order to evaluate what information in compliance with the requirements of these Rules is to be disclosed immediately.

13.3.2. The information disclosed by the Issuer has to be precise, correct and unambiguous, its contents may not be misleading, and it may not exclude or omit anything that may affect the subject or significance of the information.

13.3.3. When disclosing information, the Issuer shall have the obligation to present all financial data in euros and in the official currency of the Issuer's registration country.

(with amendments, approved on November 13, 2013, that come into force on January 1, 2014)

13.3.4 The Issuer who discloses the financial data not only in euro but also in other currency, shall indicate the exchange rate and the source of the exchange rate, based on which the recalculation is made.

(with amendments, approved on November 13, 2013, that come into force on January 1, 2014)

13.3.5. If the information already disclosed to the Exchange is being altered, the Issuer shall submit, without delay, to the Exchange a notification about the alterations.

13.3.6. The Exchange shall have the right to demand from the Issuer to provide comments and/or additional information about the information disclosed by the Issuer. The obligation of the Issuer shall be to immediately disclose the requested information.

13.3.7. The Issuer may not disclose previously undisclosed information which may affect the price of the listed securities in reports, commentaries, and interviews or in any other way until the moment when such information is properly disclosed in accordance with the Legislations and simultaneously disseminated through the information system of the Exchange.

(with amendments, approved on September 18, 2017, that come into force on September 25, 2017)

13.3.8. The Issuer shall ensure that all the information which the Issuer plans to disclose to investors, is publicly disclosed in compliance with procedure determined in these Rules not later than it is being disclosed to the holders of the respective securities.

(with amendments, approved on September 18, 2017, that come into force on September 25, 2017)

13.3.9. If the Issuer learns that the information to be disclosed under these Rules has been accessible to unauthorized persons before disclosing of it, the Issuer shall, without delay, disclose such information according to these Rules.

(with amendments, approved on September 18, 2017, that come into force on September 25, 2017)

13.3.10. If the circumstances referred to in Article 13.3.8 hereof have occurred and the Issuer needs additional time to prepare the information to be disclosed, the Issuer shall,

without delay, notify the Exchange about the Issuer's intention to disclose information shortly, in the notification briefly describing the event about which it is planned to disclose information.

(with amendments, approved on September 18, 2017, that come into force on September 25, 2017)

13.3.11. If the Exchange considers that the information referred to in Article 13.3.8 hereof may cause significant fluctuations in the price of the listed securities of the Issuer, the Exchange may temporarily suspend trading with the securities of the respective Issuer until the Issuer discloses completely the particular information.

13.3.12. An Issuer has a right to delay with the disclosure of Inside Information under the conditions and pursuant to the procedure provided by the Legislations. If the Issuer believes that the information required by the Exchange pursuant to Article 13.3.6 hereof or the information to be disclosed pursuant to Article 13.3.9 thereof comprises its business secrets or that the disclosure of information might otherwise be to the detriment of the Issuer, the Issuer may request the Exchange not to distribute publicly such information. In the application to the Exchange, the contents of the information and an explanation justified by the Issuer, providing the reasons why the Issuer does not want to publicly disclose the relevant information, shall be provided.

(with amendments, approved on September 18, 2017, that come into force on September 25, 2017)

13.3.13. If the Issuer learns that other persons have distributed correct or incorrect information about the Issuer which may or has affected the price of the Issuer's securities, the Issuer shall immediately comment upon such information by submitting a respective notification to the Exchange.

13.3.14. The Issuer the securities of which are listed on another regulated market or another type of trading system shall ensure that the information disclosed by the Issuer be disclosed to the Exchange not later than the moment when it is being disclosed in another regulated market or trading system where the Issuer's securities are listed or traded.

13.3.15. *(null and void from September 25, 2017)*

13.4. Procedure of disclosing of information

13.4.1. In the interpretation of these Rules, information is to be deemed as disclosed when it is disclosed as a notification by means of the information system of the Exchange.

13.4.2. The Exchange shall ensure that the information received from the Issuer is publicly accessible to participants of the financial instruments market on the internet website of the Exchange.

13.4.3. The Issuer shall be obliged to provide all the information specified herein to the Exchange within the time limits specified herein, however, not later than when it's published in accordance with the procedure set out in the Legislations.

(with amendments, approved on September 18, 2017, that come into force on September 25, 2017)

13.4.4. The Issuer shall have the obligation to disclose to the Exchange the information electronically in compliance with the procedure determined by the Exchange Management Board.

(with amendments, approved on September 18, 2017, that come into force on September 25, 2017)

13.4.5. The Issuer shall appoint an investor relations person for maintaining contacts with the Exchange and investors. The Issuer shall notify, without delay, the Exchange about substitutes of the said person.

13.4.6. The Issuer who is registered in Latvia shall prepare and submit to the Exchange all the notifications in Latvian and English.

(with amendments, approved on December 17, 2009, that come into force on January 1, 2010)

13.4.7. The Issuer who is registered in Latvia shall ensure that the Exchange may publish the announcements or financial reports in English in the information system of the Exchange simultaneously with the announcements or financial reports in Latvian.

(with amendments, approved on September 18, 2017, that come into force on September 25, 2017)

13.4.8. The Issuer who is not registered in Latvia has the right to submit the information specified herein to the Exchange only in English.

(with amendments, approved on December 17, 2009, that come into force on January 1, 2010)

14. Information to be Disclosed by Issuers on a Regular Basis

14.1. Changes of the management, attorneys and auditors

14.1.1. The Issuer shall disclose, without delay, the information about any changes in its management board or supervisory board or changes of auditors or procurists. The Issuer shall send, without delay, a notification to the Exchange if any of the persons specified in this Article files a resignation or terminates his/her contractual relations with the Issuer.

14.1.2. If a new person has been elected or appointed in the management board or supervisory board of the Issuer, the Issuer shall submit a short description of the person's professional experience of three previous years and information about the number of Issuer's voting shares held by this person.

14.2. Change of the Issuer's address or location of the office

The Issuer shall immediately disclose the information about the changes of its legal address or actual location of the office.

14.3. Change of the paying agent

The Issuer shall be obliged to disclose information on the representative of the Issuer which is authorized to perform payments regarding the Issuer's securities on behalf of the Issuer (Paying Agent) in due time.

14.4. Changes in the rights of investors

14.4.1. The Issuer has to treat all holders of the securities of one type and category fairly and equally in compliance with the regulatory acts and the rules of the securities issue.

14.4.2. The Issuer shall, without delay, disclose information about all proposed changes in the rights or liabilities of holders of securities, including changes in provisions regarding debt securities, convertible bonds or all securities to which convertible bonds (the principal securities) may be converted.

14.4.3. The Issuer shall disclose the Record Date not later than nine (9) days prior to this date. The Issuer may not set the Record Date sooner than ten (10) business days after the day when the Issuer's approved management body has taken a decision on transfer, creating or termination of the rights attached to the securities (as redemption, dividend payment, change of nominal value). In the interpretation of these Rules, the "rights attached to securities" are any rights the holders of the relevant securities are made eligible to pursuant to the provisions of regulatory acts or the issue rules for the securities in question. For redemption of debt securities the Record date shall be set at least one (1) business day before the payment date (redemption/maturity date) unless the prospectus or terms of debt securities specify an earlier date. For the purposes of this Article the business days are understood as days when in accordance with the depository rules, which is the place of primary registration of the securities in question, the settlement takes place.

(with amendments, approved on September 18, 2017, that come into force on September 25, 2017)

14.4.4. When announcing the Record date, the Issuer shall also disclose the information on the rights that will be transferred, created or terminated on the Record Date.

14.4.5. The share issuer shall announce the date (hereinafter Ex-date) on which the shares which are subject of particular corporate action are traded without the benefit rights attached to it e.g. the shares acquired from that date are not entitled to recently declared dividends. The Ex-date shall be announced no later than two (2) business days before the particular Ex-date. The Ex-date should precede the Record date of particular corporate action by one settlement cycle minus one business day. Provided that the Exchange standard settlement cycle is T+2, the Ex-date is the previous business day before the related Record date. For the purposes of this Article the business days are understood as days when in accordance with the depository rules, which is the place of primary registration of the securities in question, the settlement takes place.

(with amendments, approved on September 18, 2017, that come into force on September 25, 2017)

14.4.6. In case the Issuer fails to provide the information on the Record Date by the deadline specified in Article 14.4.3, it shall be obliged to shift the Record Date and publish a respective notification, unless the Management Board of the Exchange decides otherwise.

14.5. Court or arbitration court procedures

The Issuer shall have the obligation to immediately disclose information about the court or arbitration process which has been instigated by the Issuer or against the Issuer, as well as about full or shortened ruling of the court or arbitration court, or about a ruling that has not yet entered into force, provided that the said events are affecting or may affect the price of the Issuer's listed securities.

14.6. Legal protection, insolvency or liquidation

14.6.1. The Issuer shall have the obligation to immediately disclose information, if the Issuer, its parent company or significant subsidiary of the Issuer has filed an application of legal protection procedure, an application to announce the enforcement of an out-of-court legal protection procedure or an insolvency application to the court.

14.6.2. The Issuer shall be obliged to immediately disclose the fact that an insolvency procedure against the Issuer, its parent company or a significant subsidiary has been filed.

14.6.3. The Issuer shall have the obligation to immediately disclose information if the following court rulings have been made in relation to the Issuer, its parent company or significant subsidiary of the Issuer:

(with amendments, approved on September 18, 2017, that come into force on September 25, 2017)

14.6.3.1 on initiation of legal protection procedure, enforcement of legal protection procedure and approval of legal protection procedure plan and amendments thereof;

14.6.3.2. on application of out-of-court legal protection procedure and approval of out-of-court legal protection measures plan and amendments to them;

14.6.3.3. on initiation or completion of the insolvency procedure or transition from insolvency procedure to legal protection procedure.

14.6.4. If the court has made a decision regarding the approval of the Issuer's, its parent company's or significant subsidiary's legal protection or out-of-court legal protection procedure measures plan, the Issuer shall also disclose the most important terms of the measures plan (methods specified in the measures plan, enforcement term of the procedure, etc.).

14.6.5. The Issuer shall have the obligation to immediately disclose information about the intention to initiate the termination of the Issuer's commercial activity or liquidation.

14.7. Listing on other regulated markets

The Issuer shall have the obligation to disclose information about its intention to seek for secondary listing on another regulated market, about the approval or rejection of

the listing application, and also about delisting of securities from another regulated market.

14.8. Annual report and interim financial reports

14.8.1. Annual reports and interim reports shall be prepared by the Issuer in accordance with the regulatory acts that stipulate the procedure for the preparation of reports and in compliance with the Law and the additional requirements set out herein.

14.8.2. The Issuer shall have the obligation to submit the annual report and interim reports to the Exchange not later than the timeframe for the publishing thereof under the Law.

14.8.3. The Issuer shall have the obligation to specify not later than seven (7) days prior to the end of the report period the time (the date or the week) when the financial report will be made public.

14.8.4. The Issuer whose shares are listed on the Exchange shall provide the following information in the annual report in addition to the information referred to in the regulatory acts on the preparation of annual reports and in the Law:

1) information about the circumstances in the result of which the financial results of the Issuer differ from previously announced forecasts for more than ten per cent (10%);

2) the number of the Issuer's shares which are owned by the members of the Issuer's supervisory board or management board at the end of the financial year, indicating data separately for each member of the supervisory board or management board. The shares made available for buying by the said persons, taking into account the share options granted to them, shall be specified individually; information about share options that are still effective and which have been granted to the members of the management board and supervisory board of the Issuer during the financial year, together with information about the members of the management board and supervisory board which are eligible to such options.

3) the list of the shareholders which own five per cent (5%) and more of the voting shares of the Issuer at the end of the respective financial year. If there are no such shareholders, a relevant confirmation shall be submitted;

(with amendments, approved on September 18, 2017, that come into force on September 25, 2017)

14.8.5. If in its annual report the Issuer discusses the expected development in the next financial year, the Issuer shall disclose such information in the annual report in compliance with Article 14.9 of these Rules.

14.8.6. If the net profit in the audited annual report differs from the previously published financial results for more than 10%, the Issuer shall, without delay, notify on this fact, simultaneously stating the reasons due to which such situation has occurred.

(with amendments, approved on February 12, 2016, that come into force on February 22, 2016)

14.8.7. The Issuer whose shares are listed on the Exchange, simultaneously with the profit or loss report, shall calculate the ratio 'earnings per share' (EPS) on the basis of the results

of the reporting year and provide the said information in the interim financial reports and the annual report.

14.8.8. After publishing of the annual report, it shall be made accessible also on the Internet website of the Issuer, if in place, and at the Issuer's office. If necessary, the Issuer shall allow copying the annual report.

14.8.9. The investment management company of a Fund or the representing company shall submit to the Exchange the financial reports of the Fund on 6 months and the annual report audited by a certified auditor within the time limits specified in the Investment Management Companies Law.

(with amendments, approved on February 12, 2016, that come into force on February 22, 2016)

14.8.9.¹ The manager of Alternative fund shall submit to the Exchange the annual report and consolidated report (if such report is prepared) not later than in the day when according to the Alternative investment funds and their managers law reports are published.

(with amendments, approved on February 12, 2016, that come into force on February 22, 2016)

14.8.10. In the financial report, the information about the fact if a certified auditor has audited the report shall be included.

14.8.11. The information provided in the financial report has to be sufficiently detailed in order to prevent a situation that completely new information which was not included in the financial report on the respective period and which may materially affect the price of the Issuer's shares is included in the annual report.

14.9. Forecasts of financial results

14.9.1. If the Issuer publishes forecasts of financial results for the next reporting period or periods, and a forecast of financial results comprises extraordinary income or expenditures known to the Issuer, the Issuer shall have the obligation to separately indicate the forecasting assumptions of such extraordinary income or expenditures.

14.9.2. If after publishing the Issuer's forecasts of financial results or budget there is a reason to believe that the forecasts or financial indicators included in the budget will differ from the actual financial results for the period by more than 10%, the Issuer shall, without delay, disclose to the Exchange the information about the current situation and explain the reason for such deviation from the forecast of financial results. The Issuer shall disclose the respective information to the Exchange also if it is not possible to implement the assumptions, on which the previously published forecast was based.

14.10. Changes in the Issuer's commercial activity

14.10.1. The Issuer shall reveal, without delay, all circumstances and events that have materially affected or which could materially affect the Issuer's business or financial standing. As such circumstances the following may be considered:

1) Transactions with fixed assets in considerable amounts;

2) Material fluctuations in the prices of the goods, raw materials or services of significance for the Issuer;

- 3) Conclusion, breach or cancellation of agreements of significance for the Issuer; material violations of agreements due to the Issuer and against the Issuer;
- 4) Entering or losing the markets for new products or services;
- 5) Investments of a significant amount;

- 4) the financial year in which the shares issued for the purpose of the share option plan are eligible to dividends.
- 5) the category of the shares to be issued for the purpose of the share option plan and description of the rights attached to the shares, if different from those attached to the shares issued by the Issuer at an earlier time;
- 6) other important conditions of the share option.

15.12.3. If the proposal on a share options issue has been passed to the shareholders meeting for approval, the information referred to in Article 15.12.2 hereof shall be included in the draft resolution prepared for the shareholders meeting.

15.13. Conditions of share options given to the management and employees of the Issuer

15.13.1. When defining the rules of the share options allocated to the management and employees of the Issuer, the Issuer shall conform to the following requirements:

- 1) if the Issuer issues new shares for the purpose of the share option plan, the fixed price of the share option exercising may be lower than the weighted average price of the share on the trading day before the date of approving the terms and conditions of the share option only in event, if the lower price has been approved by the supervisory board (if the share options will be allocated to employees and members of management board) or the shareholder meeting (if the share options will be given also to the members of supervisory board);
- 2) if no new shares have been issued by the Issuer for the purpose of the share option plan, the fixed price of share option exercising may not be lower than the weighted average price of the purchased shares;
- 3) the rules of share options may prescribe that each person is eligible to maximum 25% of the total amount of shares to be sold in the scope of the respective share option;
- 4) if new shares for the fulfilment of the conditions of the share option have not been issued by the Issuer, the conditions of share option shall be approved by the Issuer's shareholder meeting, in compliance with the rights specified by regulatory acts for the Issuer to acquire its own shares. Purchasing the shares in the secondary market may not be commenced sooner than on the tenth trading day as from disclosing the resolution of shareholder meeting to the Exchange;
- 5) if the Issuer has entered into an agreement with a shareholder (shareholders) on the acquisition of shares needed for the fulfilment of the rules of the share option, or if the Issuer plans to enter into such agreement, the Issuer shall disclose to the shareholder meeting the information about the rules for obtaining the respective shares and about the respective shareholder (shareholders), with whom it has entered or is planning to enter into such agreement;
- 6) if for the fulfilment of the share option new shares have not been issued, the total nominal value of the shares to be acquired for the fulfilment of the share option during one calendar year may not exceed 5% of the Issuer's share capital;
- 7) if the rules of the share option prescribe that the share options are allocated to the members of supervisory board, the rules of the share option shall be approved by the shareholder meeting.

15.13.2. The rules of the share option, which have been approved by the shareholder meeting, may be altered for the benefit of the holders of the share options only by a new resolution of the shareholder meeting, except the changes that are required in compliance with the requirements of the regulatory acts, which have come into effect after the announcement published in accordance with clause 15.12.2 of these Rules.

15.13.3. Upon permission from the Exchange, the Issuer may change the fixed price of the share option exercising, if the price of the Issuer's shares is affected by respective events (issue of bonus shares, share split).

15.14. Corporate governance

An Issuer whose shares are listed on the Exchange lists, in compliance with the principle "comply or explain", shall disclose information on the corporate governance recommendations (principles) that the Issuer applies. The report on the implementation of the corporate governance recommendations (principles) shall be submitted by the Issuer to the Exchange together with an audited annual report. If the Issuer doesn't apply Corporate Governance Principles and Recommendations on their Implementation approved by the Exchange, the place where corporate governance principles are available shall be disclosed in the report on implementation of the corporate governance recommendations (principles).

(with amendments, approved on February 12, 2016, that come into force on February 22, 2016)

V. SURVEILLANCE

18. General Provisions of Surveillance

18.1. In the interpretation of these Rules, the term 'surveillance' shall mean the surveillance of the Issuers by the Exchange in compliance with the provisions of the Law and these Rules.

18.2. The Exchange may set up one or a number of institutions (committees) for Surveillance, delegating its Surveillance tasks to the said institutions in full or partially. In the latter case, the scope of authorities of the committee shall be determined herein. The general principles of work and organisation of work of the committee shall be set out in the regulation of the relevant committee that is subject to approval of the Council of the Exchange.

19. Obligations and Rights of the Exchange in Surveillance Activities

19.1. The obligation of the Exchange shall be to monitor on a daily basis conformity of activities of the Issuers to these Rules and whether they comply with resolutions, instructions, procedures and recommendations of the Exchange Management Board, and decisions taken by the Exchange Members and Issuers Surveillance Committee (hereinafter - the Surveillance Committee) established in accordance with Article 18.2 of the Rules.

19.2. In order to fulfil its obligations, the Exchange shall have the rights to:

19.2.1. request from the Issuers information and documents regarding the requirements for the Issuers and securities listing (including requirements in relation to a transaction prohibition on the grounds of Inside information);

19.2.2. request from the Issuers other information necessary for its work in order to evaluate whether the Issuers and their activities conform to the provisions of the Exchange Rules and legal acts.

(with amendments, approved on November 13, 2013, that come into force on January 1, 2014)

19.2.3. copy and make excerpts from the documents and information provided by the Issuer.

19.3. The Exchange sets an obligation for all members, employees and representatives of the Exchange Management Board to observe for an unspecified time the confidentiality of all the information received in connection with the surveillance of the Issuers. This obligation shall not apply to publicly accessible information as well as the information which has to be disclosed in compliance with the requirements of regulatory acts and these Rules.

20. Surveillance Activities

20.1. Placing issuers on observation status

20.1.1. The Exchange shall give the right to place Issuers on observation status with the purpose to attract the attention of the market participants to some significant circumstance regarding a particular financial instrument or its Issuer.

20.1.2. Issuers shall be placed on observation status in the following cases:

- 1) if the Issuer has commenced liquidation process or the Issuer's insolvency has been instituted;
- 2) if the Issuer has admitted its insolvency or the Issuer has had permanent insolvency problems;
- 3) if there are legal proceedings regarding a case which may materially influence the Issuer or its further activity;
- 4) if the Issuer or the financial instruments issued by it and listed on the Exchange do not conform to the listing requirements under the Law and these Rules;
- 5) if the Issuer fails to disclose the information to be disclosed on a regular basis as specified herein in due time and manner;
- 6) if the Issuer repeatedly or materially violates the requirements on disclosure of information as specified herein;
- 7) if a delisting application has been submitted or in the next six (6) months it is planned to perform activities in the result of which the financial instruments of the Issuer (except delisting of debt securities from the Exchange lists due to redemption) would be delisted;
- 7¹) if the shares buy out offer has been announced or the public announcement about intention to execute such offer has been made;
- 8) if the Issuer has not paid the listing fee within the time limit and in the amount specified by the Exchange and the payment is overdue for more than 6 months.

9) if other circumstances influencing the Issuer's activity have occurred which may materially threaten the interests of the investors, and in cases when it is important to turn the attention of market participants to a substantial circumstance related to the relevant financial instrument or its Issuer;

(with amendments, approved on February 12, 2016, that come into force on February 22, 2016)

20.1.3. The resolution on placing the Issuer on observation status shall be adopted by the Exchange Management Board.

20.1.4. If the Exchange Management Board adopts the resolution on placing the Issuer on observation status, the information system of the Exchange shall display a specific mark next to the relevant Issuer and its financial instruments, allowing the market participants to identify that the Issuer has been placed on observation status.

20.1.5. Placing issuers on observation status shall not apply restrictions on the trading with the financial instruments, as well as it shall not free the Issuer from the obligation to disclose information in compliance with the provisions of these Rules.

20.1.6. The Exchange shall immediately inform the Issuer if the Issuer and its financial instruments have been placed on observation status, sending to the Issuer information about the resolution and the justification for its adoption. If the Issuer wants to comment the resolution of the Exchange, the Issuer shall submit a public statement to the Exchange.

20.1.7. After the adoption of the resolution on placing on observation status the Exchange shall disclose, without delay, the notification about it in the information system of the Exchange, describing the circumstances justifying the resolution.

20.1.8. If the circumstances due to which the observation status was applied have ceased, the Exchange Management Board shall immediately adopt the resolution on removing the observation status from the Issuer and its financial instruments and inform the Issuer about the decision and publish a relevant notification in the information system of the Exchange.

21. Sanctions

21.1. Types of sanctions and application thereof

21.1.1. Except the cases referred to under Article 21.1.2 hereof, the Exchange shall have the right to apply the following sanctions for violations of these Rules:

- 1) issue a warning;
- 2) impose a fine;
- 3) delist the Issuer's securities from the Exchange.

21.1.2. The Exchange shall not impose sanctions if the Issuer has not disclosed any of the information specified herein if the obligation to publish the same is stipulated in the Law.

21.1.3. The decision on the application of the said sanctions on the Issuer may be taken by the Management Board of the Exchange and the Surveillance Committee within the scope of their competence as specified herein.

21.1.4. In assessing the circumstances of every violation, the Management Board of the Exchange shall have the right to deal with any of the issues referred to herein that are within the scope of competence of the Surveillance Committee and to decide on application of relevant sanctions on the Issuer.

21.2. Issuing a warning

21.2.1. The Management Board of the Exchange shall have the right to take a decision on issuing a warning to an Issuer if the Issuer has violated provisions of these Rules, inter alia the procedure of disclosure of information as set out herein, or if the Issuer has not complied or duly complied with any instructions of the Exchange.

21.2.2. The Exchange shall, without delay, notify the Issuer in writing about the warning and explain the reasons for issuing it.

21.2.3. If the Issuer has not eliminated the established violations following the warning issued by the Exchange, or if the Issuer repeatedly violates the procedure of disclosure of information as set out herein within 12 months, or if the interests of investors might be materially infringed due to the violation permitted by the Issuer, the case materials may be submitted to the Surveillance Committee, which shall be entitled to issue a warning to the issuer or apply any of the sanctions specified herein.

21.3. Imposing a fine

21.3.1. The Exchange shall have the right to impose a fine on the Issuer in the following cases:

- 1) if the interests of investors are or might be materially infringed due to the violation permitted by the Issuer;
- 2) if the Issuer has not rectified the violation following a warning;
- 3) if the Issuer repeatedly within 12 months violates the requirements on disclosure of information specified herein.

21.3.2. The Exchange shall have the right to impose a fine from EUR 70 to EUR 28,000 on the Issuers.

(with amendments, approved on November 13, 2013, that come into force on January 1, 2014)

21.3.3. The resolution on imposing a fine on the Issuer may be taken by the Surveillance Committee. In the resolution, the Surveillance Committee shall determine the date until which the fine has to be paid.

21.3.4. In deciding on the amount of fine, the nature of the violation and its influence on regular and transparent operation of the market and other circumstances shall be assessed.

21.3.5. If the Issuer has not eliminated the violation in question during the period in which the Surveillance Committee is deciding on the imposition of a fine, the Surveillance

Committee shall have the right to decide that the fine is to be paid for every day from the notification of the decision to the Issuer to the day on which the Issuer has eliminated the violation; however, the total amount of fine may not exceed EUR 28,000.

(with amendments, approved on November 13, 2013, that come into force on January 1, 2014)

21.3.6. The Exchange shall inform the Issuer in writing about imposing a fine and the circumstances on the grounds of which the resolution has been adopted.

21.4. Delisting of financial instruments from the Exchange

21.4.1. The Exchange shall have the right to take a decision on delisting of financial instruments of the Issuer from the Exchange upon initiative of the Exchange in the following cases:

- 1) if the Issuer or the financial instruments issued by it do not conform to the requirements specified in these Rules;
- 2) The Issuer has repeatedly or materially violated the provisions of these Rules;
- 3) If the interruption of the trade with financial instruments of the Issuer has been longer than six months and if the Issuer has not taken measures to prevent the circumstances on the grounds of which trading was suspended;
- 4) other circumstances in the result of which it is not possible to continue trading with the financial instruments of the Issuer in compliance with the procedure determined in these Rules have occurred;
- 5) the Issuer has not paid the specified listing fee to the Exchange upon repeated notice

21.4.2. The Exchange shall have the right to decide on delisting of investment certificates from the Investment Fund List if the investment management company or Alternative fund manager has violated the legislation applicable to them and the requirements of these Rules.

(with amendments, approved on February 12, 2016, that come into force on February 22, 2016)

21.4.3. The decision on delisting of financial instruments may be taken by the Management Board of the Exchange or the Surveillance Committee in accordance with the Law and these Rules.

21.4.4. Prior to taking the decision on delisting of financial instruments from the Exchange lists, the Exchange shall have the right to invite Management board members of the Issuer to a meeting of the Exchange Management Board or the Surveillance Committee to discuss the circumstances due to which the delisting of Issuer's financial instruments from the Exchange is to be considered or to discuss with them the measures to be taken to eliminate the failures and to give the Issuer a possibility to provide written explanations. The Exchange may set a time limit for the Issuer to eliminate the failures or to provide a relevant action plan.

21.4.5. The date of entering into force shall be specified in the decision of the Surveillance Committee on the delisting of financial instruments from the Exchange. The date of entering into force shall be set in accordance with the interests of investors.

21.4.6. The Exchange shall immediately inform in writing the Issuer about the delisting decision. In the notification, the Exchange shall specify the circumstances on the grounds of which the Exchange Surveillance Committee has taken the delisting decision.

21.4.7. The Exchange shall publish, without delay, the delisting decision in the information system of the Exchange.

(with amendments, approved on February 11, 2009, that come into force on February 13, 2009)
