The results of the first quarter 2018 were especially influenced by two factors:

- due to unusually cold weather in the first quarter of the year, sales of the new season goods were poor, resulting in a reduction in overall sales profitability ratios;
- since the start of the year 2017 the Group's and Inditex (largest Group partner) cooperation business model has changed. The transition to the new model hit the financial results mostly for the first quarters of 2017 and 2018, so increasing the financial results of the first quarter 2017 and decreasing financial results of the first quarter 2018.

In 3 months 2018, the Group had EUR 1.2 million of *loss before income tax*, while the Group had the profit before taxes of EUR 2.2 million in 3 months of 2017.
