Our Opinion on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of AS “Grenardi Group” (“the Company”) and its subsidiaries (“the Group”) set out on pages 13. to 44. of the accompanying consolidated annual report, which comprise:

- the consolidated statement of Financial Position as at 31 December 2025,
- the consolidated statement of Comprehensive Income for the year then ended,
- the consolidated statement of changes in equity for the year then ended,
- the consolidated statement of cash flows for the year then ended, and
- the notes to the consolidated financial statements, which include a summary of significant accounting policies and other explanatory notes.

In our opinion, the accompanying consolidated financial statements give a true and fair view of the consolidated financial position of “Grenardi Group” AS and its subsidiaries as at 31 December 2025, and of its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with the ‘International Financial Reporting Standards as adopted by the European Union.

Basis for Opinion

In accordance with the Law on Audit Services of the Republic of Latvia we conducted our audit in accordance with International Standards on Auditing adopted in the Republic of Latvia (ISAs). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements section of our report.

We are independent of the Group in accordance with the International Code of Ethics for Professional Accountants (including International Independence Standards) issued by the International Ethics Standards Board for Accountants, as applicable to audits of financial statements of public-interest entities, as well as in accordance with the ethical requirements that are relevant to audits of financial statements of public-interest entities in the Republic of Latvia. We have also fulfilled our other professional ethics responsibilities and objectivity requirements in accordance with the International Code of Ethics for Professional Accountants (including International Independence Standards) and the Law on Audit Services of the Republic of Latvia.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the separate and consolidated financial statements of the current period. These matters were addressed in the context of our audit of the separate and consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

During our audit of the financial statements for the reporting period, we have not identified any matters that would be considered key audit matters to be communicated in our report.

Reporting on Other Information

The Company's management is responsible for the other information. The other information comprises:

- Information about the Group, as set out on page 3 of the accompanying Consolidated Annual Report,
- the Management Report, as set out on pages 5-10 of the accompanying Consolidated Annual Report.
- the Statement on management's responsibility, as set out on page 11 of the accompanying Consolidated Annual Report.
- the Statement of Corporate Governance prepared by the management as a stand-alone statement

Our opinion on the consolidated financial statements does not cover the other information included in the Annual Report, and we do not express any form of assurance conclusion thereon, except as described in the Other reporting responsibilities in accordance with the legislation of the Republic of Latvia section of our report.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed and in light of the knowledge and understanding of the Group and its environment obtained in the course of our audit, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Other reporting responsibilities in accordance with the legislation of the Republic of Latvia

In addition, in accordance with the Law on Audit Services of the Republic of Latvia with respect to the Management Report, our responsibility is to consider whether the Management Report is prepared in accordance with the requirements of the 'Law On the Annual Reports and Consolidated Annual Reports' of the Republic of Latvia.

Based solely on the work required to be undertaken in the course of our audit, in our opinion:

- the information given in the Management Report for the financial year for which the consolidated financial statements are prepared is consistent with the consolidated financial statements; and
- the Management Report has been prepared in accordance with the requirements of the 'Law On the Annual Reports and Consolidated Annual Reports' of the Republic of Latvia.

In accordance with the 'Law on Audit Services' of the Republic of Latvia with respect to the Statement of Corporate Governance, our responsibility is to consider whether the Statement of Corporate Governance includes the information required in section 56.1, first paragraph, clause 3, 4, 6, 8 and 9, as well as section 56.2, second paragraph, clause 5, and third paragraph of the 'Financial Instruments Market Law' of the Republic of Latvia and if it includes the information stipulated in section 56.2 second paragraph, clause 1, 2, 3, 4, 7 and 8 of the 'Financial Instruments Market Law' of the Republic of Latvia.

In our opinion, the Statement of Corporate Governance includes the information required in section 56.1, first paragraph, clause 3, 4, 6, 8 and 9, as well as section 56.2, second paragraph, clause 5, and third paragraph of the 'Financial Instruments Market Law' of the Republic of Latvia and it includes the information stipulated in section 56.2 second paragraph, clause 1, 2, 3, 4, 7 and 8 of the 'Financial Instruments Market Law' of the Republic of Latvia.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation of the consolidated financial statements that give a true and fair view in accordance with the 'Law On the Annual Reports and Consolidated Annual Reports' of the Republic of Latvia and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves a fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision, and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the separate and consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

We were appointed by shareholders on 12 December 2025 to audit consolidated financial statement of the Group for the year ended 31 December 2025. Our total uninterrupted period of engagement is 2 years covering the period ending 31 December 2024.

We confirm that:

- our audit opinion is consistent with the additional report presented to the Audit Committee of the Group;
- as referred to in the paragraph 37.6 of the 'Law on Audit Services' of the Republic of Latvia we have not provided to the Company and Group the prohibited non-audit services (NASS) referred to of EU Regulation (EU) No 537/2014. We also remained independent of the audited entity and group in conducting the audit.

For the period to which our statutory audit relates, we have not provided any services to the Group in addition to the audit, which have not been disclosed in the Management report or in the consolidated financial statement of the Group.

The responsible certified auditor on the audit resulting in this independent auditors' report is Raivis Irbītis.

Report on the Auditors' Examination of the European Single Electronic Format (ESEF) Report

In addition to our audit of the accompanying consolidated financial statement, as included in the consolidated Annual Report, we have also been engaged by the management of the Group to express an opinion on compliance of the consolidated financial statement prepared in a format that enables uniform electronic reporting ("the ESEF Report") with the requirements of the Commission Delegated Regulation (EU) 2019/815 of 17 December 2018 supplementing Directive 2004/109/EC of the European Parliament and of the Council with regard to regulatory technical standards on the specification of a single electronic reporting format (the "RTS on ESEF").

Responsibilities of Management and Those Charged with Governance for the ESEF Report

Management is responsible for the preparation of the consolidated financial statement in a format that enables uniform electronic reporting that complies with the RTS on ESEF. This responsibility includes:

- the preparation of the consolidated financial statement in the applicable xHTML format;
- the selection and application of appropriate iXBRL tags, using judgment where necessary;
- ensuring consistency between digitised information and the consolidated financial statements presented in human-readable format; and
- the design, implementation and maintenance of internal control relevant to the application of the RTS on ESEF.

Those charged with governance are responsible for overseeing the financial reporting process.

Auditors' Responsibility for the Examination of the ESEF

Report Our responsibility is to express an opinion on whether the ESEF report complies, in all material respects, with the RTS on ESEF, based on the evidence we have obtained. We conducted our reasonable assurance engagement in accordance with International Standard on Assurance Engagements 3000 (Revised), Assurance Engagements Other than Audits or Reviews of Historical Financial Information (ISAE 3000) issued by the International Auditing and Assurance Standards Board. A reasonable assurance engagement in accordance with ISAE 3000 involves performing procedures to obtain evidence about compliance with the RTS on ESEF. The nature, timing and extent of procedures selected depend on the auditor's judgment, including the assessment of the risks of material departures from the requirements of set out in the RTS on ESEF, whether due to fraud or error. Our procedures included, among other things:

- obtaining an understanding of the tagging process;
- tracing the tagged data to the consolidated financial statements of the Group presented in human-readable format;
- evaluating the completeness of the Group's tagging of the consolidated financial statements;
- evaluating the appropriateness of the Group's use of iXBRL elements selected from the ESEF taxonomy and creation of extension elements where no suitable element in the ESEF taxonomy has been identified;
- evaluating the use of anchoring in relation to the extension elements; and
- evaluating the appropriateness of the format of the separate and consolidated financial statements.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Opinion

In our opinion, the ESEF Report of the Group as at and for the year ended 31 December 2025 has been prepared, in all material respects, in accordance with the requirements of the RTS on ESEF.
