- b) **Title to Bonds:** The title to the Bonds will pass to the relevant investors when the respective entries regarding the ownership of the Bonds are made in their Securities Accounts.
- c) **Status of the Bonds:** The Bonds constitute direct, unsecured, unconditional and unsubordinated obligations of the Issuer which will at all times rank *pari passu* among themselves and at least *pari passu* with all other present and future unsecured obligations of the Issuer, save for such obligations as may be preferred by provisions of law that are both mandatory and of general application.
- d) **Issue Price:** The Bonds may be issued at their nominal amount or at a discount or a premium to their nominal amount (the “**Issue Price**”). The Issue Price shall be determined by the Issuer and specified in the applicable Final Terms.
- The yield of each Tranche set out in the applicable Final Terms will be calculated as of the relevant Issue Date on an annual basis using the relevant Issue Price. It is not an indication of future yield.
- e) **Transfers of Bonds:** The Bonds are freely transferrable. Bonds subscribed and paid for shall be entered to the respective book-entry Securities Accounts of the subscriber(s) in accordance with the Lithuanian legislation governing the book-entry system and book-entry accounts as well as the Nasdaq CSD Rules.
- f) **No charge:** The transfer of a Bond will be effected without charge by or on behalf of the Issuer. However, the investors may be obliged to cover expenses which are related to the opening of Securities Accounts with credit institutions or investment brokerage firms, as well as commissions which are charged by the credit institutions or investment brokerage firms in relation to the execution of the investor’s purchase or selling orders of the Bonds, the holding of the Bonds or any other operations in relation to the Bonds. 4. Bonds in Book-Entry Form

The Bonds shall be issued as registered book-entry (dematerialised) securities as entries within Nasdaq CSD, thus, the Bonds exist as an electronic entry in a securities account with Nasdaq CSD. Only persons holding the Bonds directly or indirectly (e.g., through omnibus accounts maintained by investment firms) with Nasdaq CSD will be considered by the Issuer as the Bondholders of such Bonds.

5. Interest

a) **Accrual of interest:** Interest shall accrue for each Interest Period from and including the first day of the Interest Period to (but excluding) the last day of the Interest Period on the principal amount of Bonds outstanding from time to time. Each consecutive Interest Period begins on the previous Interest Payment Date and ends on the following Interest Payment Date. The last Interest Period ends on the Maturity Date.

b) The Interest payment on all Interest Payment Dates is determined according to the Day Count Convention 30/360 (the "**European 30/360**"). Also, Interest is being calculated by rounding up to two decimal places per each Bond. For example:

The accrued Interest is calculated presuming there are 360 days in one year (European 30/360). Accrued Interest between Interest Payment Dates shall be calculated as follows: $AI = F * C / 360 * D$, where:

AI – accrued Interest for one Bond;

F – Nominal Amount of one Bond;

C – fixed annual Interest Rate (%) payable on the Bonds;

D – the number of days from the beginning of the Interest accrual period according to European 30/360-day count method.

c) When Interest is required to be calculated in respect of a period of less than a full year other than in respect of the First Interest Period, it shall be calculated on the basis of (a) the actual number of days in the period from and including the date from which Interest begins to accrue (the "**Accrual Date**") but excluding the date on which it falls due, divided by (b) the actual number of days from and including the Accrual Date, but excluding the next following Interest Payment Date.

6. Payments to the Bondholders

a) **Payments:** Payments of principal amounts (including on the final redemption) due on the Bonds will be made to the Bondholders thereof, as appearing in Nasdaq CSD on the 3rd (third) Business Day preceding the due date for such payment, and payments of Interest (including any other final redemption) due on the Bonds will be made to the Bondholders thereof, as appearing in Nasdaq CSD on the 3rd (third) Business Day preceding the due date for such payment (the "**Record Date**"). All payments under the Bonds will be executed through Nasdaq CSD. The Bondholders shall not be required to provide any requests to redeem the Bonds, as upon Maturity Date of the Bonds, the nominal value thereof with the

cumulative Interest accrued shall be transferred to the Bondholders through Nasdaq CSD without separate requests/requirements of the Bondholders. As of that moment the Issuer shall be deemed to have fully executed the obligations, related to the Bonds and their redemption, disregarding the fact, whether the Bondholder actually accepts the funds or not. Payment of amounts due on the final redemption of the Bonds will be made simultaneously with deletion of the Bonds.

- b) **Payments subject to fiscal laws:** All payments in respect of the Bonds are subject in all cases to any applicable fiscal or other laws and regulations in the place of payment, but without prejudice to the provisions of Clause 8 (*Taxation*). No commissions or expenses shall be charged to the Bondholders in respect of such payments by the Issuer except for taxes applicable under Lithuania law. However, the investors may be obliged to cover commissions and/or other expenses, which are charged by the credit institutions or investment brokerage firms in relation to such payments. The Issuer and/or the Dealer will not compensate the Bondholders for any such expenses.
